

Welcome Message

Dear Colleagues and Friends,

It is my great pleasure and honor to invite you to the **International Congress of the Korean Society for Reproductive Medicine (KSRM 2026)**, to be held at **Seoul Dragon City, Seoul, Korea, from December 4 to 6, 2026**.

Under the theme *“Advancing Reproductive Medicine: From Science to Soul,”* KSRM 2026 will present a comprehensive scientific program highlighting the latest advances in reproductive medicine, innovative technologies, and cutting-edge research. This inaugural international congress aims to generate new ideas, foster interdisciplinary exchange, and reinforce the global scientific community. The congress will also provide valuable opportunities to strengthen global collaboration and foster professional networks among experts from around the world.

Through plenary lectures by distinguished experts, in-depth symposia featuring invited speakers, and specially commissioned exchange session with ASPIRE, ASRM, and JSRM, together with diverse oral and poster presentations, the congress will facilitate critical dialogue and deepen international partnerships that shape the future of reproductive healthcare. Beyond the scientific program, we warmly invite you to experience the unique charm and hospitality of Seoul, a vibrant city where tradition meets innovation.

We look forward to welcoming you to KSRM 2026 in Seoul and to sharing an unforgettable and inspiring experience together. Thank you.

Sincerely,

Kyungjoo Hwang

President of the Korean Society
for Reproductive Medicine

Young Sik Choi

Chair of KSRM 2026
Organizing Committee

Host City

SEOUL

Seoul, a City Brightening the World with K Culture

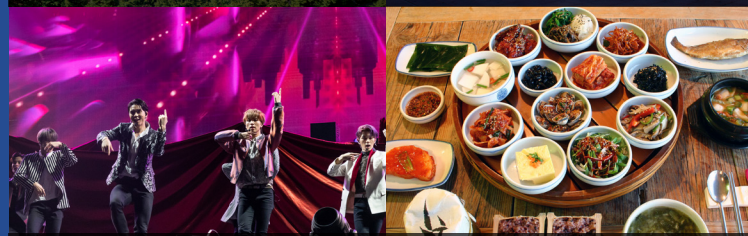

Seoul is the capital of the Republic of Korea where tradition and trends coexist, and a global tourism city that offers endless inspiration and excitement to travelers from around the world as the heart of K Culture.

Call for Abstracts

The Scientific Committee of KSRM 2026 cordially invites you to submit abstracts for presentation at the KSRM 2026 International Congress in Seoul.

Under the theme *“Advancing Reproductive Medicine: From Science to Soul,”* the congress provides a premier platform to present cutting-edge research, innovative clinical strategies, and challenging cases to a global community of experts in reproductive medicine.

All submitted abstracts will undergo a rigorous peer-review process conducted by the Scientific Committee. Accepted abstracts will be assigned to either Oral or Poster presentations based on scientific merit and thematic relevance.

We look forward to your contributions and to welcoming you to Seoul for KSRM 2026.

Preferred Topics

- Assisted Reproductive Technology (ART)
- Bioengineering and Tissue Engineering
- Counseling, Ethics & Social Issues
- Embryology and Laboratory Science
- Female and Male Infertility
- Fertility Preservation
- Implantation & Endometrial Receptivity
- Innovation, AI & Digital Transformation
- Nursing and Allied Health
- Ovarian Biology & Reproductive Longevity
- PCOS
- Regenerative Medicine and Stem Cells
- Reproductive Biology
- Reproductive Endocrinology
- Reproductive Genetics
- Reproductive Surgery
- Uterine Disorders and Endometriosis

Important Dates

Abstract Submission Opens:	April 1, 2026
Registration Opens:	June 1, 2026
Abstract Submission Deadline:	August 16, 2026
Notification of Abstract Acceptance:	September 30, 2026
Presenting Author Registration Deadline:	October 20, 2026
Early-bird Registration Ends:	October 26, 2026

Plenary Speakers

Decade of POSEIDON: Moving Towards Integrated Male-Female Stratification in ART

Carlo Alviggi

Professor
University of Naples Federico II

Navigating Challenges in Modern IVF: Clinical Predictors of Success and Early Assessment of Pregnancy

Elizabeth S. Ginsburg

Professor
Harvard University

Engineering the Future of Germ Cells: Reconstituting Gametogenesis in Vitro

Katsuhiko Hayashi

Professor
University of Osaka

Mechanisms of Ovarian Aging: A Target for Geroprotection in Women

Yousin Suh

Professor
Columbia University

The Congress program will include:

- 4 Plenary Lectures
- 7 Symposia
- 3 Exchange Sessions with ASPIRE, ASRM, JSRM
- 4+ Sponsored Sessions
- Oral & Poster Sessions
- Exhibition

Program at a Glance

December 4 (Fri)

Time	Session Room A	Session Room B
18:00 - 20:00	Faculty Dinner (Invitation Only)	

December 5 (Sat)

Time	Session Room A	Session Room B
08:30 - 09:00	Opening Ceremony	
09:00 - 09:30	Plenary Lecture I	
09:30 - 10:00	Plenary Lecture II	
10:00 - 10:45	Coffee Break & Poster Session & Exhibition	
10:45 - 12:00	Symposium 1 <i>Innovation in Reproductive Medicine</i>	Symposium 2 <i>Male Infertility in the Era of Precision Medicine</i>
12:00 - 13:15	Luncheon Symposium 1 Poster Session & Exhibition	Luncheon Symposium 2 Poster Session & Exhibition
13:15 - 14:30	ASRM Exchange Session	Free Communication 1
14:30 - 15:30	Sponsored Session 1	Sponsored Session 2
15:30 - 16:00	Coffee Break & Poster Session & Exhibition	
16:00 - 17:15	JSRM-KSRM Exchange Session <i>Reproductive Health: Pathophysiology and AI Insights</i>	Symposium 3 <i>Translational Frontiers in Reproductive Biology</i>
17:15 - 18:30	Symposium 4 <i>Optimizing Implantation in ART: Mechanisms and Clinical Strategies</i>	Free Communication 2

December 6 (Sun)

Time	Session Room A	Session Room B
09:00 - 09:30	Plenary Lecture III	
09:30 - 10:00	Plenary Lecture IV	
10:00 - 10:45	Coffee Break & Poster Session & Exhibition	
10:45 - 12:00	Symposium 5 <i>Challenges in ART: Strategies to Optimize Outcomes</i>	Symposium 6 <i>Advances in Embryology and Laboratory Innovation</i>
12:00 - 13:15	Luncheon Symposium 3 Poster Session & Exhibition	Luncheon Symposium 4 Poster Session & Exhibition
13:15 - 14:30	ASPIRE-KSRM Exchange Session <i>Environmental and Microbial Influences on Female Reproductive Health</i>	Free Communication 3
14:30 - 15:30	Sponsored Session 3	Sponsored Session 4
15:30 - 16:00	Coffee Break & Poster Session & Exhibition	
16:00 - 17:15	Symposium 7 <i>Genomics in Assisted Reproduction: From Embryo Screening to Clinical Outcomes</i>	Free Communication 4
17:15 - 17:45	Closing & Award Ceremony	

※ Program schedule is subject to change.
