INVITATION

Dear Colleagues and Friends,

It is my great pleasure and honor to invite you to the **International Congress of the Korean Society for Reproductive Medicine (KSRM 2026)**, to be held at **Seoul Dragon City, Seoul, Korea**, from **December 4 to 6, 2026**.

Under the theme "*Advancing Reproductive Medicine: From Science to Soul*," KSRM 2026 will present a comprehensive scientific program highlighting the latest advances in reproductive medicine, innovative technologies, and cutting-edge research. This inaugural international congress aims to generate new ideas, foster interdisciplinary exchange, and reinforce the global scientific community. The congress will also provide valuable opportunities to strengthen global collaboration and foster professional networks among experts from around the world.

Through plenary lectures by distinguished experts and specially commissioned joint symposia with *ASPIRE*, *ASRM* and *JSRM*, the congress will facilitate critical dialogue and deepen international partnerships that shape the future of reproductive healthcare. Beyond the scientific program, we warmly invite you to experience the unique charm and hospitality of Seoul, a vibrant city where tradition meets innovation.

We look forward to welcoming you to KSRM 2026 in Seoul and to sharing an unforgettable and inspiring experience together. Thank you.

Sincerely,

Kyungjoo Hwang
President of the Korean Society for Reproductive Medicine
